## Heart Beach Resort at Dead Lake

We are located on the northern tip of Dead Lake on Highway 35. We have 5 cabins near the lake shore. There is a nice sandy shore line from one end to the other with a beach area for swimming and a diving platform. There is a beach for playing, swings for the kids, a paddle boats for rent, a screened in area by lake that has large picnic tables and a charcoal grill for cookouts. There is a screened in area in front of cabins 4 and 5 with a walkway between out to the parking lot. Be sure to check out the camping portion of the website. We also have boat lifts to rent by the day or week, but they go fast. It helps to know in advance if you would like us to save you a lift. A boat does come with the rental when you rent by the week. We have motors you can also rent. We also have a pontoon boat and motor and a 18' lund tyee with a 115 to rent.

The cabins are very roomy. They have everything you need, except paper items, towels, soaps, and of course any food you would like to eat. You can bring your food with you or there is a town about 4 miles north of us called Dent. It has a store, laundry, restaurant, bank, and a bait shop. You can get your fishing license in town.

Also 15 miles north of us is a town called Perham. Every Wednesday, they have what they call Turtle Races. It is great fun for the whole family. You actually race live turtles. Perham is a bigger town than Dent and has a lot of things the family can do.

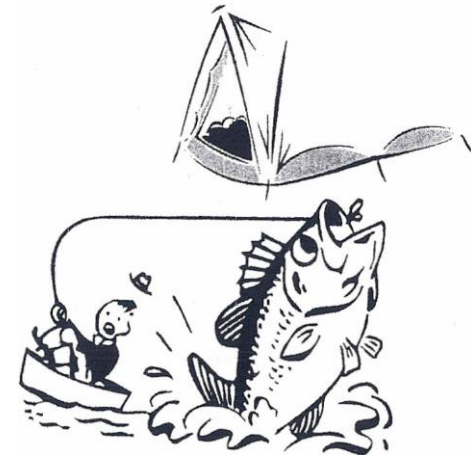

The cabins are furnished with clean bedding, dishes, silverware, pots/pans, toaster, refrigerators, gas stove w/ oven, tables/chairs, microwaves and modern bathrooms. You are welcome to bring a favorite pan or coffee pot if you like. Also a fan, alarm clock or radio, or a television (reception is not always good, depending on the type of television you have). Fishing is always good during all parts of the day for you fishermen out there.

Bill stays in a trailer on the property and is usually walking around helping out our guests. Please check in with him when you first arrive at the resort. The fishing is great, the lake is beautiful and the people are always friendly, so please come be our guest and stay with us. If at all possible leave your pets at home, but be sure to bring the kids!! We do request a deposit before entering your name in the reservation book. Check-in time is 3:00 p.m. and check-out time is 10:00 a.m. We usually rent by the week from Saturday to Saturday, but in the slower parts of the season, we do rent by the day.
